

Concerts in the Bösendorfer Hall at Mozarthaus Vienna

Organise and put on your own concert

Baroque meets modern: in the heart of Vienna is not only Mozart's only surviving apartment in the city but also a wonderful intimate concert room, the Bösendorfer Hall at Mozarthaus Vienna. The unique historical vaulted basement of the Baroque building has been renovated with great architectural sensitivity that perfectly combines the old and the new. The visible installations are designed to improve the acoustics, making the room ideal for chamber music, solo performances and piano concerts.
